The event planning committee is very excited to announce **TRANSFORMATION AWARDS 2024**, a **VIRTUAL event, premiering on September 26 at 7:00 PM**, honoring those who have made a positive difference in the lives of people in our Greater Cincinnati community!

This year's honorees are:

**Ms. Mary Sheldon**

It is the vital mission of the Center for Respite Care to provide quality, holistic medical care to people experiencing homelessness who need a safe place to heal, while assisting them in breaking the cycle of homelessness. The TRANSFORMATION AWARDS is the Center's primary fundraiser, and we kindly ask you or your organization to strongly consider supporting the event as a sponsor. Enclosed materials provide details on the sponsorship levels available as well as the impact of your generous donation on the life changing services offered by the Center.

The Center for Respite Care has been able to provide uninterrupted care to our clients during these challenging times. We have incurred additional expenses including food, supplies and transportation, significantly impacting our budget. Your sponsorship of TRANSFORMATION AWARDS 2024 will provide much needed funding to continue our services, benefiting many individuals and the community as a whole.

Please join us by watching TRANSFORMATION AWARDS 2024 a VIRTUAL event, viewed on the Center's website, from the safety and comfort of your home as we pay tribute to these honorees and celebrate restoring health and transforming lives!

Sincerely,

Laurel Derks Nelson, Chief Executive Officer
